

## Field Trip to the Money Factory

Kids.gov: <http://go.usa.gov/cjYak> | YouTube: <https://youtu.be/-IBHbe-t-X4>

1. Where is money created?
2. What is one example of a hand-drawn icon on a printed bill?
3. Once the design is finalized, how is the image transferred to the bill?
4. What is the final step of the printing process?
5. Where is the newly printed money stored?
